

FUEL
POLISHING
DIRTY FUEL? FILTER OUT THE DOWNTIME!

Company Overview

FMJ Fuel Polishing, founded in 2023 in Central Valley, California, by Derek Stanhope, is dedicated to providing top-tier fuel maintenance and polishing services. As a Service-Disabled Veteran-Owned Small Business (SDVOSB), Derek brings over 10 years of mechanical expertise as a former diesel mechanic, combined with a master's degree and a decade of experience in business and customer service. Recognizing a critical gap in the fuel management industry, FMJ Fuel Polishing is committed to addressing fuel contamination issues and ensuring the highest quality service for government and commercial clients alike.
